The Patent Office Error

The present U.S. Pat. No. 7,024,474 was filed as U.S. Appl. No. 09/767,951 on January 24, 2001, and claims priority as a continuation-in-part of U.S. Appl. No. 09/494,553 (now abandoned). The CIP claim was made on January 24, 2001 based on the prosecution history as maintained by USPTO records. It has recently come to the undersigned's attention that a Declaration (forming the basis for the past CIP claim) appears to have been improperly inserted by the USPTO into the present case, and thus the CIP priority claim must be removed.

The present patent was originally assigned to Aether Systems, Inc., who granted power of attorney to practitioners at the Firm of Venable, Baetjer, Howard, and Civiletti, LLP. Power of attorney was later granted to practitioners at the Firm of Wilmer, Cutler, and Pickering. Power of attorney was thereafter granted to Ashok K. Manava and registered practitioners at Customer Number 36,405. Eventually (long after abandonment of 09/494,553), U.S. Pat. No. 7,024,474 was sold to the current owner, and power of attorney was granted to the undersigned and the law Firm now named MANELLI SELTER PLLC (the fourth attorneys of record in this case.)

A recent office action in a child application (U.S. Appl. No. 13/067,778) caused the undersigned to investigate the chain of priority, including the claim of US Pat. No. 7,024,474 as a CIP to 09/494,553 (which was abandoned before the undersigned was granted power of attorney.) In this review the undersigned has discovered that the April 24, 2001 Declaration naming Lyle Sutton was improperly placed by the USPTO in U.S. Appl. No. 09/494,553.

To correct the USPTO error caused by improper insertion of the April 24, 2001 Lyle Sutton Declaration in U.S. Appl. No. 09/494,553, domestic priority as continuation-in-part to U.S. Appl. No. 09/494,553 should be removed from the front page of this U.S. Patent No. 7,024,474.

The Certificate of Correction

It is respectfully requested that the Director issue the attached Certificate of Correction, or other good and appropriate corrective action.

Respectfully submitted,
MANELLI SELTER PLLC
